

İŞ AKIŞI ADIMLARI	SORUMLU
 <p>The flowchart details the process of preparing a Unit Activity Report. It starts with a request for activities from sub-units over the past year. Information is collected and consolidated by the Strategic Planning Unit. A draft report is prepared and reviewed. If not suitable, it is revised. Once approved, the report is published on the university website. Finally, the report is prepared for the Strategic Planning Unit along with other units.</p>	<ul style="list-style-type: none"><li>Stratejik Planlama Sube Müdürlüğü</li><li>Daire Başkanı</li><li>Birim Bilgi Yönetim Sistemi Sorumlusu</li><li>Stratejik Planlama Şube Müdürlüğü</li></ul>
